

The AKG S30 is the ultimate travel companion designed for the on-the-go professional. Equipped with Bluetooth streaming, a dual-microphone conferencing system and a power bank that allows you to charge your devices throughout your travels, it's lightweight while being acoustically impeccable. Drawing from AKG awarded acoustic expertise, it combines craftsmanship with the ultimate sound technologies. Masterfully crafted with premium materials in a sleek, unibody aluminum design, no attention to detail has been spared, ensuring its place as an always-available and indispensable companion. Use the included carrying pouch to take it with you everywhere you want to go.

FEATURES

- ▶ Wireless Bluetooth Streaming
- ▶ Dual Microphone Conferencing
- ▶ 2500mAH Power Bank
- ▶ Advanced Craftsmanship
- ▶ Compact Size

FEATURES AND BENEFITS

► Wireless Bluetooth Streaming

Wirelessly connect your favorite devices with ease. Listen to music in expertly-designed stereo sound.

► Dual Microphone Conferencing

Take crystal clear conference calls with the press of a button with top quality built-in noise and echo cancellation.

► 2500mAH Power Bank

Built-in rechargeable Li-ion battery supports up to 10 hours of playtime while allowing you to charge your devices via USB.

► Advanced Craftsmanship

A beautiful unibody aluminum design is accented with leather and a diamond-cut edge to create an elegant and durable travel companion.

► Compact Size

Compact and slim enough to accompany you everywhere you go, you'll always find yourself in upscale company.
