FEATURES AT A GLANCE

- ▶ **Award-winning, studio-quality AKG sound**
Specially selected 9mm drivers and a closed-back design work together to deliver precision sound with superior acoustic dampening and enhanced bass response.
- ▶ **High-end connectivity**
A 'one-button' universal inline remote with mic control allows you to play and pause music, answer and end calls while leaving your headphones on.
- ▶ **In-ear design with on-ear results**
The K376's closed-back aluminum housing determines what gets in and out for the impression of much more elaborate over-ear headphones.
- ▶ **As portable as you are**
It's unlikely you'll find any reason to take the K376's off – but if you do, they come with a cool, carrying pouch to protect and keep them safe when you're not using them.
- ▶ **Long-lasting comfort**
The K376's lightweight design and smooth-fitting ear sleeves allow you to listen to your heart's content without any fatigue or decrease in listening pleasure.
