WIRELESS
Wireless, Adaptive Noise Cancelling Headphones

Great ideas are born in silence.

Optimized for travel and blending first class Adaptive Noise Cancelling technology with sleek and elegant design accents, the AKG N700NCM2 Wireless headphones deliver pure studio sound free of distortion and distraction. Crafted for exceptional performance throughout the whole noise spectrum, the Grammy awarded AKG expertise was applied to engineer the AKG N700NCM2 Wireless Headphones, delivering warm bass response and unmatched clarity. Thanks to the 90 degrees rotating hinge and the memory foam ear cushion, the comfort-fit design treats you to hours of listening pleasure. A simple push of a button activates the Ambient Aware feature enabling full environmental awareness – whether it's to take a quick chat, listen to announcements, or be fully immersed in your music. The AKG headphones app allows you to easily control of the N700NCM2 Wireless settings. Its long lasting battery provides 23 hours of listening pleasure with BT+ANC on (32 hours wired, with ANC on.) The flat-foldable design and thoughtfully included accessories like an airline adapter, carrying case and a tangle-free fabric cable with one-button remote, mean these headphones are fully equipped for travelling first class, to a zone that unleashes your true creative potential.

FEATURES

- ▶ AKG reference sound
- ▶ First class adaptive noise cancelling technology
- ▶ Comfort-fit ergonomics
- ▶ Flat-foldable in a premium portable package
- ▶ 23-hours battery-life
- ▶ Crafted with high-end materials
- ▶ TalkThru Technology and Ambient Aware
- ▶ Perfect phone conversations
- ▶ One-button remote detachable cable
- ▶ Equipped with a full-set of accessories
- ▶ Full control of the settings via the AKG headphones App

FEATURES AND BENEFITS

- ▶ **AKG reference sound**
Enjoy Grammy award-winning AKG reference sound that's deep in bass and rich in mid-range.
- ▶ **First class adaptive noise cancelling technology**
A line of AKG headphones specially designed for travelling, urban environments and commuting.
- ▶ **Comfort-fit ergonomics**
Listeners will enjoy hours of peaceful listening pleasure, thanks to the soft ear cushions with memory foam and the padded adjustable headband.
- ▶ **Flat-foldable in a premium portable package**
Protect your flat-foldable headphones in style when transporting them in this elegant carrying case.
- ▶ **23-hours battery-life**
Use the headphones for 23 hours with BT+ANC on or for 32 hours when wired, with ANC on.
- ▶ **Crafted with high-end materials**
Premium finishes that include full metal headband sliders, aluminum touches, memory foam and leatherette ear-cushions make the headphones elegant and comfortable to use.
- ▶ **TalkThru Technology and Ambient Aware**
Hear your surroundings with two sound modes. TalkThru mode drops music down and turns on speech-optimized mics so you can easily talk with your friends without removing your headphones. Ambient Aware mode increases ambient sounds, so you are more aware of your surroundings. Gain full control of your headphones' performance at the touch of a button or via the AKG headphones App.
- ▶ **Perfect phone conversations**
The dual microphone technology will allow you to have clear and noise-free calls. The voice feels more natural, the background noise is canceled for an optimized call experience.
- ▶ **One-button remote detachable cable**
Never stop listening and taking calls, thanks to the additional universal one-button remote cable.
- ▶ **Equipped with a full-set of accessories**
Flight adaptor and carrying case allow you to bring your headphones wherever you go.
- ▶ **Full control of the settings via the AKG headphones App**
Decide the ambient aware level, enable and customize the equalizer settings, control the auto on/off feature, or make your headphones future proof by automatically updating the firmware. Download it from akg.com

WHAT'S IN THE BOX

- 1 x Headphones
- 1 x Carrying case
- 1 x Flight adaptor
- 1 x USB charging cable
- 1 x Straight cable

SPECIFICATIONS

Driver size	: 40mm
Dynamic frequency response range	: 10-20kHz
Sensitivity	: 110dB SPL/1mW @1kHz
Max Input Power	: 30mW
Impedance	: 16 ohm
Bluetooth transmitted power	: <4 dBm (EIRP)
Bluetooth transmitted modulation	: GFSK, π/4DQPSK, 8DPSK
Bluetooth frequency	: 2.402 GHz – 2.48 GHz
Bluetooth profiles	: A2DP V1.3, AVRCP V1.5, HFP V1.6
Bluetooth version	: 4.2
Supporting codec	: Samsung Scalable Codec, SBC, AAC
Battery type	: Polymer Li-ion Battery (3.7V, 800 mAh)
Charging time	: 3 hours
Talk time	: 23 hours
Music (BTNC)	: 23 hours
Music (Aux-in)	: 32 hours
Weight	: 277g
